vs.]	DECLARATION OF

MICRONESIA WOODCRAFT ENT., INC., et al.,]	
]	
Defendants.]	
]	

I, Invictus T. Feliciano, do hereby depose and say that:

1. I am a distributor for Plaintiff Saipan Handicraft and have personal knowledge regarding the matters stated herein.

2. On March 13, 2006, at around 9:30 am, I went to Pacific Quick Print, in Garapan, to conduct some personal business. While I was in the store, I noticed an employee of Pacific Quick Print was making numerous copies of the Saipan Handicraft blue card. In total they made 243 copies before they stopped. A true and accurate copy of one of the 243 copies is attached hereto as **Exhibit 1**. I was told that the copies were being made for three men that were in the store.

3. I noticed that the three men were Chinese and were also making copies of the Saipan Handicraft blue card on the customer copy machine. I immediately called 911 and tried to stall the men in the hope that the police would quickly arrive to question them.

4. Instead of waiting around, the three men jumped into a silver Toyota Echo (License No. ABY 204) and sped away. When the police arrived, I filed a complaint (Case No. 06-002472), but to date nothing has come of it.

5. I purchased from Pacific Quick Print all 243 of the fake cards that had been copied that morning. In total more than 1000 fake cards were produced that morning at Pacific Quick Print.

6. It is fairly easy to see that the cards are fakes, due to the darkness of the marks printed thereon.

I declare under penalty of perjury under the laws of the United States of America that the foregoing statements are true to the best of my knowledge; and make this declaration this May 10, 2006, at San Jose, Saipan, CNMI.

TM BO JO BO WISHING DOLL

My name is Bo Jo Bo. I came from San Roque, a little village in Salpaz, Marana islands. I've been around a long time hiding in the woods and peeping out from the Bo Jo Bo vines I am loveable, rich and strong. If you need some of my strength, love or money you can have all I've got but you need to fold my arms for strength, cross my legs for love and if you need money, let my hands behind my back. Then all you need to do is hang me up where you can see me and have faith.

Remember my love comes from the seeds of my eyes, my wealth from the coconut fiber of my arms and legs and my strength from my Bo Jo Bo Nuts.
